Dear Maja,

Thanks for contacting me. Yes, it is true that you never got my documents of February 13. I had them all with me when I visited the police that day and I was told that you will ask for them when you need them. I'm therefore glad that you contacted me; a zip file with the full package of the 12 pieces of evidence of February 13, 2023 is attached.

You asked me whether anybody else is involved in the investigation. In my letter of April 24, I mentioned two Polish police officers and a Polish lawyer, Dr Piotr Å\201ebek <plebek@hryniowlebek.pl>, who is familiar with the case. I mentioned the case number PP PL 129+23, but I was told that they are not actively working on the case, because I never visited them in person. They also don't speak English. However, I encourage you to contact Dr Å\201ebek, who is familiar with international arbitration law in general and this case in particular.

In my letter of April 24, I referred to point 2 of my original "Report of crimes in connection with suspect Krzysztof Sienicki", to which I attached pieces 4 and 5 (see the attached material.zip file). The second is 5_Brandenburg_to_Svea_2023-01-12.pdf, where I notified Lina Wogel at Svea Hovratt of the fact that the website

<https://pesa-court.org>

of the Pan-European Arbitration Court (Pan-Europejski-Sad-Arbitrazowy, PESA), referred to in the letter of December 21, 2022, by Svea Hovratt, was registered by Villa Europa on 2021-09-28; see

<https://who.is/whois/pesa-court.org>

which is owned by Krzysztof Sienicki. It also does not exist; see 3_photographic_evidence.pdf in the attached material.zip file.

I believe you have access to the material at Svea Hovratt related to my case Å\226 12191-22. In addition, there are the cases:

Å\226 11558-2 Svea Hovratt: Henrik Hult <hult@kth.se>
Å\226 4652-22 Svea Hovratt: Björn Johansson <bjorn.johansson@ki.se>
12 Sch 12/22 Kammergericht (Berlin): Kai Nagel <nagel@vsp.tu-berlin.de>

which are similar and also involve PESA.

In his response to Svea Hovratt of April 21, 2023, Sienicki included the following document:

Svea_HR_12191-22_Aktbil_49_Bilaga_1.pdf

which I have never seen before; it shows my signature on a video license agreement (dated September 30, 2020) together with other pages that must have been produced more recently. The first time I have seen PESA is December 21, 2022, more than 2 years later. In addition, as shown by the response of my lawyers to Svea Hovratt of February 20, 2023, attached as

Svaromal_i_Svea_HR_12191-22.pdf

with reference to their file Bilaga_4-Skrivelse_fran_Villa_Europa.pdf a completely different arbitrational court was mentioned (Lewiatan). It is dated October 28, 2021. Nothing was mentioned about PESA!

Thus, in conclusion, the presentation of the fabricated document Svea_HR_12191-22_Aktbil_49_Bilaga_1.pdf to Svea Hovratt is a serious criminal offense. Please let me know if you need more information.
